

Hello Everyone,

How are you? I hope you all had a great summer. I know, I know, it went by WAY TOO fast! But I am excited about this school year. Fifth and Sixth Grade will be exploring the pyramids, some Greek mythology, Roman Rule and much more during our tour through ancient history.

Seventh and Eighth Grade will be touring the entire world! Either way we will have much fun as we learn together. Also, this year our Fifth through Eighth Graders will have a new weekly health class with me and Mr. Williams. Be prepared to be healthy!

Supplies you will need:

- 1 inch 3-ring binder (unless you keep space for it in a larger 3-ring binder)
- 3 folders
- 1 spiral notebook
- 100 index cards

and most of all... A Great Attitude!

See you soon,

Mrs. Ott
