

ARROW ACADEMY

ABOUT

Arrow Academy is a private Christian school in the heart of Morris County. Arrow Academy approaches the development of the children that we are entrusted to love and build up with vigor for academics and an eye toward individual development. The pillars that Arrow Academy looks to strategically place as foundational pieces for each child are the pillars of:

- Academic Achievement
- Spiritual Formation
- Multicultural Awareness
- Individual Development Plan

Our mission is to raise a generation that will change the world. By providing an excellent academic curriculum within a Christian worldview we strive to empower students to excel in both who they are and what they do.
