# WELCOME

Hello 4<sup>th</sup> grade class!

I hope you are all enjoying a wonderful summer with you family and loved ones. My summer has been going great! My dog, Chewy, is really loving having me at home. He gets endless cuddle time and belly rubs. My husband and I are also enjoying having more time together spoiling our dog.

Enough about me. I hope you have been able to at least retain some of the wonderful things you learned in 3<sup>rd</sup> grade. We will begin our school year with a few weeks reviewing some of those skills, in case it accidentally left your memory. Don't worry, we will bring it right back!

Parents, I am looking forward meeting all of you as well. In order to have a successful school year, I will need your help. This team effort will build your child's confidence, push them to be better version of themselves, and have a great experience in this transitional year we call 4<sup>th</sup> grade.
